

**Have you lost prospective mortgage clients because of bad credit? Most mortgage brokers have had some clients turned down for a home loan in the past. We can help!**

TLS Financial Services ([helpmycreditgetfixed.com](http://helpmycreditgetfixed.com)) will put them back on the right track, so they can be your profitable mortgage clients.

"TLS Financial Services is a full service credit repair company trained to understand the details of credit restoration" says TLS consultant Angel Mendez, "We have set up a system for mortgage brokers to follow up on leads from previous clients that have been denied a loan due to credit blemishes. We are here to help your client get approved by helping remove all negative items from their credit report."

TLS sets up a login for your company on <http://onlinefilefolder.com>, for your convenience. You can log in anytime, to check on each client's progress.

"We charge \$250.00 and remove anything" says Mendez. "Bankruptcies, Foreclosures, Late Payments, Tax Liens, Charge-offs, Judgments, Repossessions, and Collections. For quick results, call us today... (877) 289-1366."
